GENERAL NOTES

For upholstered furniture and accessories from OUT OBJEKTE UNSERER TAGE only fabrics from leading international manufacturers are used. The quality and durability of the fabrics allow the furniture to be used in both private and public settings.

CARE & CLEANING

In order to prolong the durability of your upholstered furniture and maintain an attractive appearance, care and regular cleaning is very important. Dirt and dust wear and tear fabrics.

OUT OBJEKTE UNSERER TAGE uses textiles of the highest quality. Nevertheless, it is possible that textiles fade over time. Therefore avoid direct, strong sunlight and similar light sources. Upholstered furniture should be vacuumed regularly at a maximum medium level. Use the upholstery nozzle of the vacuum cleaner for this.

Stains should be removed immediately to avoid permanent damage. Remove stains by carefully wiping them off with a lint-free cloth or sponge soaked in warm water without detergent. Avoid rubbing it with pressure over the fabric, otherwise the fabric may be damaged.

We also recommend that you follow the manufacturer's cleaning and care instructions.
